

OFFICERS' CHRISTIAN FELLOWSHIP

Building Christian military leaders, families, fellowships...*for a lifetime*

January 27, 2025

Dear pastor or pastoral staff member,

I would like to personally invite you and/or several members of your staff to attend the Fellowship of Christian Military Ministries (FCMM) Conference from **8:30 a.m. to 12 p.m. on Tuesday, 25 March. You are welcome to stay for lunch** as well as return for our **Community Dinner**, featuring **Maj Gen Jerry White, USAF (Ret.)**, International President Emeritus, The Navigators, starting at 6 p.m. that same evening.

The purpose of the morning portion of the annual FCMM conference is to collaborate on how the local church, military chaplaincy, and military-focused parachurch ministries can best labor together in ministry to the military. The purpose of the Community Dinner is to cast vision for the strategic nature of gospel-centered ministry to the military community and raise awareness of others engaged in this work to facilitate greater collaboration.

Colorado Springs is a strategic ministry environment to our military. The opportunities to bring in, build up, and send out these military members are profound.

Colorado Springs has more than 45,000 military service members. Seventeen percent of the city's population are military veterans. El Paso County has the third-largest military veteran and retiree population in the nation. Peterson Space Force Base is the "epicenter of the U.S. Space Force." The U.S. Air Force Academy produces 1,000 future strategic leaders for our country each year. Fort Carson continues to provide combat capability around the world, and the installation is Colorado's third-largest employer.

Please join us! We hope the lessons shared and the ideas generated would benefit those in the Colorado Springs area and many others around the country.

Register by scanning the QR code on the accompanying flyer. The morning sessions, lunch, and community dinner are free to chaplains, pastors, and pastoral staff. Please contact our conference coordinator, Colin Wooten, at (254) 247-6633 or colin.wooten@ocfusa.org with any questions.

In His joy,

Col Scott C. Fisher, USAF (Ret.)
Executive Director & CEO
